

Learning Together Childcare Center 2, LLC

At Learning Together Childcare Center 2 we are proud to provide a caring and safe environment, by following our mission, vision and values. Our mission is based on the joint work of families, students, teachers and community. To promote high quality educational experiences, appropriate to the individual development of each child. We promote the development of cognitive, physical, emotional and social skills, through daily activities. At LTCC we focus on guiding each child to be capable, creative, responsible, resilient and curious. All this within a comfortable, safe and enriching environment that encourages children to want to be part of this great family.

We are an accessible, safe, and quality program that creates a friendly environment for all families. We work hard every day to provide a better program. We follow all the requirements of New Mexico Guiding Principles for Out of School Time Programs, the State of New Mexico Children, Youth and Families Department (CYFD), and "FOCUS On Young Children's Learning." LTCC has capacity for 96 students from kindergarten through fifth grade, offering different programs.

During the school year we provide Before and After School Program serving more than 40 families from 7:00am to 8:30 am and 2:50pm to 6:00pm.

The Summer Program and Breaks has a very important role for LTCC, because it provides a safe place with many more learning opportunities for students who attend the program. Participants can attend Monday through Friday from 7:00 am to 6:00 pm
