### Leopold Writing Program

#### Our Mission

Aldo Leopold is the author of *A Sand County Almanac* in which he asserts his land ethic: "A thing is right when it tends to preserve the integrity, stability, and beauty of the biotic community. It is wrong when it tends otherwise."

The **Leopold Writing Program** builds on Aldo Leopold's legacy as a writer by inspiring the next generation to participate in the evolution of environmental ethics through the written word. Our **MISSION** is

to create an intergenerational network of leaders who, by virtue of their writing talent, have the potential to change the cultural story about the relationship between humans and Nature.
