#### **Our Mission**

Aldo Leopold is the author of *A Sand County Almanac* in which he asserts his land ethic: "A thing is right when it tends to preserve the integrity, stability, and beauty of the biotic community. It is wrong when it tends otherwise."

The **Leopold Writing Program** builds on Aldo Leopold's legacy as a writer by inspiring the next generation to participate in the evolution of environmental ethics through the written word. Our MISSION is

to create an intergenerational network of leaders who, by virtue of their writing talent, have the potential to change the cultural story about the relationship between humans and Nature.
