Parent Organization

Less Alone Endeavor

LessAlone.org is the first non-profit organization dedicated to enhancing the daily lives, and well-being, of its members, through facilitating regular daily human contact. Whether due to illness, trauma, surgery, PTSD, accident, disability, aging, or circumstance, LAO provides a solution to increase the safety of, and promote physical and mental well-being for, those living alone socially-isolated, with little or no frequent contact. LAO membership is free-of-charge, as are our services, to alleviate the effects of social isolation, loneliness and depression. Please visit and "LIKE" our Facebook page at [FB/lessalone].
