Life Healing Center

A team of highly qualified medical professionals and renowned clinicians provide evidence-based treatments and emerging therapeutic modalities to create a holistic model of care. With a low therapist-to-patient ratio, Life Healing Center values the importance of a personalized, comprehensive treatment experience that meets the unique needs of each person in their journey towards healing and life-long recovery. The campus features 39 residential beds in 12 casitas and 4 detox beds with 24/7 nursing care and psychiatric medical team on site seven days a week

Life Healing Center

[Life Healing Center](#), operating in Santa Fe for more than 30 years, offers a safe healing environment for adults aged 18 and above who struggle with mental health issues, trauma, addiction and co-occurring disorders. For each individual we treat, we strive to provide the most effective care possible; care that fosters internal growth, personal transformation, and life-long recovery. Clients and staff are expected to offer respect, care, compassion and acceptance for individuals and for the community. In this way, we nurture the potential for deep and transformative healing.
