### Parent Organization

#### May Center for Learning

**May Center for Learning** empowers students with learning differences to be successful, confident learners who recognize the importance of communication, collaboration, and community. We accomplish this goal by focusing on four specific success attributes: Literacy, Empowerment, Advocacy, and Principles.

May Center is also committed to developing the understanding of learning differences within our community by providing information, consultation, and workshops to educators, families, and the greater community of Northern New Mexico.
