May Evaluation Center

May Evaluation Center offers psycho-educational evaluations conducted by licensed diagnosticians for those aged 5 and up, creating a comprehensive learning profile that will help determine the most appropriate types of instruction, interventions, and settings for student success. The assessments can be used in all private and public school settings to diagnose language based learning differences such as dyslexia, and for testing to qualify students for 504 plans, IEPs, and other services and accommodations.

Parent Organization

May Center for Learning

May Center for Learning empowers students with learning differences to be successful, confident learners

who recognize the importance of communication, collaboration, and community. We accomplish this goal by focusing on four specific success attributes: Literacy, Empowerment, Advocacy, and Principles.

May Center is also committed to developing the understanding of learning differences within our community by providing information, consultation, and workshops to educators, families, and the greater community of Northern New Mexico.
