

Circle of Security parenting classes

Note: Please call each individual location to inquire about the most up-to-date virtual group information.

In addition to providing a basic framework to reading emotional needs, this program will take you on a journey of reflection regarding your own upbringing, so that you can make intentional choices regarding the way you give care.

TOPICS INCLUDE:

- Learning to read emotional needs
- Supporting children's ability to manage emotions
- Enhancing children's self-esteem
- Promoting the development of a secure attachment style in children

Parent Organization

MCH Family Outreach

The primary goal of MCH Family Outreach is to strengthen families to help them provide a safe, stable and healthy family environment. We believe families are the strength of our communities and the natural place to help children develop to their fullest potential. We want to partner with families to build safe and healthy children and communities.
