MCH- Nurturing Parenting classes

Note: Please call each individual location to inquire about the most up-to-date virtual group information.

Nurturing Parenting is an evidence based, educational framework aimed at parent education that can increase nurturing skills and reduce the potential for abusive or neglectful behaviors. Every class is a different topic for 10 weeks and clients can come any time.

Parent Organization

MCH Family Outreach

The primary goal of MCH Family Outreach is to strengthen families to help them provide a safe, stable and healthy family environment. We believe families are the strength of our communities and the natural place to help children develop to their fullest potential. We want to partner with families to build safe and healthy children and communities.
