## **Parent Organization**

**MECA Therapies, LLC** 

MECA Therapies has been providing therapy services since 1998. MECA Therapies is comprised of a group of 125 highly trained employees who function as a family of professionals. We employ both English-speaking and Spanish-speaking therapists to serve within our communities.

We work with clients and their families in natural settings within the home and community (home, Daycare, Dayhab, etc.) through our Early Childhood Program and Developmental Disabilities Waiver program.
