

SHARE new mexico™

Family Infant Toddler Program (FIT)

The FIT Program is a statewide program that provides early intervention services to infants, toddlers who have or are at risk for developmental delays and families in New Mexico. Early intervention provides activities and strategies for families to use to promote their child's development throughout the day. Early intervention can make a lifetime of difference!

Details

Ages: Infants and toddlers

Services

Rehab Services

Locations

*1350 Hillrise Circle
Las Cruces, NM 88001*

Phone: 575-742-2369

Parent Organization

MECA Therapies, LLC

MECA Therapies has been providing therapy services since 1998. MECA Therapies is comprised of a group of 125 highly trained employees who function as a family of professionals. We employ both English-speaking and Spanish-speaking therapists to serve within our communities.

We work with clients and their families in natural settings within the home and community (home, Daycare, Dayhab, etc.) through our Early Childhood Program and Developmental Disabilities Waiver program.
