### Parent Organization

#### Mission ABQ

Mission ABQ is a non-profit organization, established in 1999 to bring hope to a community in need, helping people turn the corner from a place of need to a place of service to others. We do this by:

- 1) Meeting people at their point of need (meeting real and felt needs)
- 2) Providing education and training in areas of need to bring individuals to a place of health and wholeness, and
- 3) Empowering people to care for and meet the needs of others.
