## Casa

**Monte del Sol Charter School's Casa Program serves homeless families and families at risk of homelessness.** We ensure that all students have equal access to the same free public education. We remove barriers to enrollment, attendance, and success, and we ensure that homeless students are never separated or segregated. Our goal is to see every student in the program succeed, graduate, and go to college or vocational training. We provide extra supports to give them the same opportunities as their stably housed peers, and we waive all school fees for Casa families. We train faculty in identifying and supporting students experiencing homelessness.

## Parent Organization

### Monte Del Sol Charter -- New Mexico Public Schools

Monte del Sol Charter School educates and inspires Santa Fe's diverse population in grades 7 through 12, by building strong relationships and creatively engaging the local and global community. The mission of Monte del Sol Charter School is to:

- provide a small school so each individual is known;
- acknowledge and celebrate the diversity of its members and the community;
- connect students with adult community members through the mentorship program;

- foster awareness of the world through international trips, student exchanges, special events, and curricula;
- engage students in the arts through events, activities, and curricula; and
- teach the importance of environmental sustainability in our curricula and through participation in the garden
