#### Mountain Cloud Zen Center

Mountain Cloud cultivates wisdom and compassion for people of all faiths and traditions. The Rio Grande Mindfulness Institute (RGMI), a division of Mountain Cloud, promotes healthy school communities through mindfulness training. We begin with the adults who work with youth, then collaborate with them to design curricula that reflect local conditions and can be embedded into existing frameworks to avoid the “add-ons” that nobody likes. In 2018 we will launch three Mindful School Partnerships in early childhood, elementary, and middle schools. The major goal is to demonstrate effective ways to instill mindfulness in the continuum of learning.
