New Growth Counseling, LLC (Core practice)

We are committed to the wellness of individuals, their families and the community through prevention, intervention, treatment and education. At New Growth Counseling, we believe each person's path to wellness is unique. We want our clients to feel heard, respected and empowered to live a better life. A journey of growth for each client we serve, the community and our own organization, bolstered by compassion, acceptance, respect and empowerment.

We value quality of care and service to our clients through:

- Compassion towards the community we serve.
- Acceptance of everyone's right to compassionate care.
- Respect of everyone's unique path toward their own healing.
- Empowerment for everyone to have a voice and participate in their care.
- Sincerity in how we treat each other every day.
