## **New Mexico Acequia Association**

Acequia Governance-this program strengthens self-governance of acequias with regard to water management. NMAA supports acequias through workshops and consultations on acequia bylaws and infrastructure planning. Sembrando Semillas-this programs purpose is to increase the cultivation of foods that are culturally and spiritually meaningful to our communities through intergenerational food projects.

### **Parent Organization**

#### **New Mexico Acequia Association**

Our Mission is to sustain our way of life by protecting water as a community resource and by strengthening the farming and ranching traditions of our families and communities. The NM Acequia Association is governed by the Congreso de Las Acequias, a statewide federation of regional acequias.
