New Mexico Air National Guard

The 150th Special Operations Wing provides world-class combat support across four separate missions: An association with the 58th SOW, 250th Intelligence, surveillance and reconnaissance, 210th Red Horse Squadron and 150th Prime Power. The New Mexico Air National Guard wing supports the state of New Mexico, Air Education and Training Command, Air Combat Command, U.S. Air Force and National objectives. We accomplish this by hiring individuals to work one weekend a month and two weeks a year. In exchange we provide money, education, training, as well as many other benefits you can take advantage of by becoming a member today!
