New Mexico Brain Injury Resource Center

The New Mexico Brain Injury Resource Center (NMBIRC) at ARCA is your one-stop shop for information and referrals on a wide variety of topics related to brain injury including services, supports and education. Trained Bilingual Information Specialists are available during normal business hours to answer your questions and to locate state, and national organizations and program resources.

A specialized library has books, videos, DVDs, periodicals, bibliographies, Tip Sheets on various topics and journals available for check-out or onsite use by the public. All materials can be mailed to you anywhere in the state at no charge with return postage included!
