

SHARE new mexico™

Choral Performing Group

The New Mexico Gay Men's Chorus is a community chorus. Its season runs annually from September through June. Each season includes two major concerts: Holiday (December) and Pride (June); and two smaller concerts: a Halloween Masquerade and a Valentine Cabaret.

In furtherance of its mission, the overall goal of the New Mexico Gay Men's Chorus is three-fold: 1) to bring together members of the LGBT community in a positive, musical environment in which they can celebrate who they are and share the emotionally-healing journey that only music can provide; 2) to reach beyond the Chorus' immediate community in order to fulfill its mission to change minds through music; and 3) to create partnerships and work with other musical performers and organizations in the greater New Mexico musical community.

New Mexico Gay Men's Chorus

The New Mexico Gay Men's Chorus strives to be an empowering voice for the GLBT community and to enrich our greater New Mexican community through our choral excellence. We believe that our strength grows as we add voice to voice, and that understanding between people of diverse cultures and orientations blossoms each time we present our musical offerings.

Our mission is to reduce homophobia and intolerance and create a positive image of the GLBT community through high-quality, public musical performances.

Our motto is *Changing the World Through Music*, and through our works of silliness, passion, faith, beauty, and emotion, we try to demonstrate that we are all on the same journey. This year we ask you to join us in walking in one another's musical moccasins.
