New Mexico Job Corps

Job Corps is the nations oldest and largest training program for economically disadvantaged young adults. Established in 1964, Job Corps provides vocational, academic, and social skills training in a residential setting. It provides free education and training services including medical, childcare, clothing and counseling services.

Parent Organization

New Mexico Job Corps

Through a nationwide network of campuses, Job Corps offers a comprehensive array of free career development services to at-risk young women and men, ages 16 to 24, to prepare them for successful careers. Job Corps employs a holistic career development training approach which integrates the teaching of academic, vocational, employability skills and social competencies through a combination of classroom, practical and based learning experiences to prepare youth for stable, long-term, high-paying jobs.
