Operation KidSight

We partner with NMDOH to provide vision screenings at no cost to NM children ages 3-7 years old to identify amblyogenic risk factors. Daycare and preschool administrators and directors, and school nurses identify children who need an eye exam and/or glasses but are not covered by Medicaid or insurance, and then contact the KidSight Program Manager to initiate vouchers to provide an eye exam and glasses (if needed) at no cost. Eyeglass vouchers are provided to children and youth ages 0-18.
