Medicare Enrollment Assistance

New Mexico Medicare provides free, personalized Medicare education and insurance guidance to New Mexico residents. We help individuals understand their Medicare options and compare available coverage, including Medicare Advantage, Medicare Supplement, and prescription drug plans.

Our program is designed to make Medicare easier to navigate by helping beneficiaries evaluate plans based on their healthcare needs, medications, preferred doctors and hospitals, budget, and individual circumstances. We provide one-on-one assistance to people who are turning 65, already enrolled in Medicare, or experiencing changes in their current coverage.

Our goal is to give New Mexico residents clear, understandable information so they can make informed decisions about their Medicare coverage with confidence. We serve communities throughout New Mexico and provide assistance by phone and other convenient methods.

New Mexico Medicare

Our mission is to help New Mexico residents understand Medicare and make confident, informed decisions about their health coverage. We provide free, personalized guidance to individuals and families who are navigating Medicare for the first time or reviewing their existing coverage.

We help New Mexico beneficiaries compare Medicare Advantage, Medicare Supplement, and prescription drug plan options based on their healthcare needs, budget, doctors, medications, and personal preferences. Our goal is to make Medicare easier to understand by providing clear, unbiased education and helping people find coverage that fits their individual circumstances.

Serving communities across New Mexico, we are committed to making Medicare information accessible, straightforward, and focused on the needs of the people we serve.
