New Mexico Mortgage and Finance Authority

The New Mexico Mortgage Finance Authority is a self-supporting quasi-governmental entity that provides financing to make quality affordable housing and other related services available to low- and moderate-income New Mexicans. Using funding from housing bonds, tax credits and other federal and state agencies, MFA provides resources to build affordable rental communities, rehabilitate aging homes, supply down payment assistance and affordable mortgages, offer emergency shelter and administer rental assistance and subsidies. MFA partners with lenders, REALTORS, nonprofit organizations, local governments, tribal communities and developers throughout the state to make these programs and services available to all eligible New Mexicans.
