## **PBS Kids - Ready to Learn**

*??New Mexico PBS is the leading source of educational media for kids. PBS KIDS programming is watched by more than 80% of all kids ages 2-8 nationwide and PBS Kids is the most trusted media brand for children's education. New Mexico PBS Ready to Learn reaches children, parents and educators through educational partnerships, outreach and community events in schools, community centers, libraries, childcare centers and afterschool and summer programs.*

New Mexico PBS provides training, support and materials using quality PBS Kids programs. FREE resources support learning themes and positive outcomes around literacy, arts and STEM education, to young students in childcare settings, PreK, after-school programs and summer camp events. Content comes from the PBS Kids Lab <http://pbskids.org/lab/> using professionally researched, developed and tested PBS Kids curricula. Training by NMPBS Ready to Learn Coordinator and early childhood education specialist, Hollie Lovely.

Implementation includes:

- Workshops to train early childhood professionals and / or afterschool and summer program staff that serve children in PreK-3rd Grades.
  - How to create learning environments
  - How to teach using PBS Kids media and mobile apps
  - Including supported children's books
  - Implementing hands on activities
- On-site assistance for implementation
  - Technical assistance
  - Staff coaching
  - Creating the learning environment
- Materials
  - Curriculum guides
  - Activity sheets
  - Children's books

### New Mexico PBS

NMPBS Ready To Learn service provides training and support for early childhood educators and parents using research-based multi-platform media and curriculum. Our Goal is to help the community or early childhood professionals and families to ensure that their children are ready to learn when they get to kindergarten.
