Mobile Street Outreach

Our unhoused outreach services are designed to address the diverse needs of adults experiencing homelessness by integrating mental health, medical, substance use, and support services. Our dedicated team consists of professionals with a wide range of expertise, including mental health and substance use practitioners, registered and licensed practical nurses, certified peer specialists, vocational specialists, case managers, clinical social workers, and psychiatric providers. Our approach focuses on providing a seamless continuum of care, guiding adults experiencing homelessness through the journey from the streets to permanent housing while ensuring a vital connection to ongoing, tailored mental health services to support sustained recovery.

Parent Organization

New Mexico Recovery Coalition

New Mexico Recovery Coalition, NMRC, is a compassionate startup nonprofit organization and Southwest New Mexico's exclusive non-government boots-on-ground provider driving harm reduction services, rapid HIV/HCV/syphilis testing, basic street medicine, limited mobile crisis interventions, and other key mental health advocacy initiatives into our rural and frontier communities.

NMRC promotes using an anti-stigma, community-based, Mutual Aid approach to Syringe Access Services, Overdose Prevention, and Referrals to resources in our community.

?NMRC is staffed by Certified Peer Support Workers, Community Health Workers, and other Comprehensive Community Support Workers. Everyone on staff has Lived Experience with using drugs, loving someone who uses drugs, or navigating the systems and resources needed when one is actively using or in recovery.

?NMRC promotes health equity through safer drug use, overdose prevention, and helping our participants and community members to take an active role in creation of policies, procedures, and activities within our organization and others throughout the community.
