## **New Mexico Tech Summer STEM**

New Mexico Tech Summer STEM Experience is an opportunity to be a college student and learn about a specific science or engineering discipline. Participants will experience university life on New Mexico Tech's campus and will be challenged by exciting lectures, relevant labs, and interesting field trips.

NMT Summer STEM Experience provides a week long opportunity for participants to collaborate with fellow students, faculty, and staff who share the same interest in Science Technology Engineering and Math.

## **Parent Organization**

### **New Mexico Tech STEM Outreach**

New Mexico Tech is an institute of higher learning that serves the diverse population of New Mexico by integrating education, research, public service, technology, engineering, mathematics, natural resources, communication, and cultural awareness.

Our mission is to:

1. Help students learn creative approaches to addressing complex issues;
2. Acknowledge state, national, and global, diversity by developing an inclusive learning environment;
3. Create and communicate knowledge;
4. Solve technical and scientific problems.
