Roadrunners in Airplanes

Roadrunners in Airplanes, a New Mexico Virtual Academy school club, provides students with opportunities to travel both internationally and within the United States. Students have meaningful enrichment experiences that instill a lifelong love of learning and travel. As a club, we strive to positively recognize and celebrate differences in belief systems and cultures both domestic and abroad. The club also aims to help low-income students who come from all over the state of New Mexico find ways to travel through fundraising and grant options.
