NewMexicoWomen.Org (NMW.O) is the only fund of its kind in New Mexico that works to advance opportunities for women and girls statewide so they can lead self-sufficient, healthy, and empowered lives.

NMW.O pursues its mission via a 3-pronged strategy to:

- **EDUCATE** Through research and communications, NMW.O brings public attention to the issues affecting women and girls with an eye towards influencing policy and philanthropy.
- **LEAD** NMW.O facilitates alliances among nonprofits, funders, and other sectors in order to concentrate resources and foster collaboration.
- **INVEST** NMW.O leverages philanthropic investments in programs serving women and girls of color and those in rural, low income communities statewide through our donor education and strategic grant-making efforts.
