

Doña Ana County Early Childhood Education Coalition

Please note: The ECE Coalition is not a direct service provider to whom you can refer children. The Coalition exists to serve the range of ECE providers throughout Doña Ana County and falls under the umbrella of the Success Partnership. The goal of the ECE Coalition is to increase access to quality early childhood experiences for all families in the county. We accomplish this work through 3 Action Networks, who all work on inter-related goals/projects: Children are born into healthy homes, Children are ready for school, and the ECE workforce is supported.

The ECE Coalition is a county-wide collaboration, whose members are early childhood providers, educators and community members who are invested in a strong early childhood community. The ECE providers involved include licensed and registered child care providers, Pre-K programs, Head Start, Early Intervention, Home Visiting, Parent Education, and more. The full Coalition meets quarterly, and the Action Networks meet monthly in between the Coalition meetings. To get involved, please e-mail Cgillard@lcdfnm.org.

A major project in motion under the ECE coalition is the formation of a children's museum. The first phase of this project will be a mobile museum, called Vamos Niños: Play to Learn. For more information on this project, or if you are interested in being a part of the children's museum committee, please email Kimmi@NgageNM.org.

With a focus on improving education outcomes and nonprofit capacity-building, we embrace the values of collaboration, consensus-building, social justice, racial equity, and data-informed solutions for the betterment of our entire community. Our vision is no less than a diverse, vibrant, and resilient community where all enjoy freedom, opportunity, and the power to direct our own lives. Our mission is to serve as a catalyst to advance the well-being of all people of southern New Mexico.

Ngage serves as a backbone organization for a prenatal-to-career education initiative in Doña Ana County called the Success Partnership. The partnership consists of individual and organizational stakeholders from the nonprofit, government, business, education, and faith-based sectors who are committed to the transformation of education in our county. As a support organization, Ngage provides facilitation, coordination of partnership activities, guidance and logistical support for making community wide change possible. Ngage in conjunction with the Success Partnership is currently working in four main areas: (1) early childhood education; (2) K-12 Success; (3) post-secondary access and success; and (4) career opportunities for graduates.
