

Success Partnership

The Success Partnership is a prenatal to career education initiative serving Doña Ana County (DAC). The Success Partnership utilizes Collective Impact as our framework for making change. We strive to bring together representatives from all sectors to leverage resources and collaborate toward accomplishing mutual goals in transforming education outcomes in Doña Ana County. There is a backbone team that provides support for the Success Partnership by providing facilitation, coordination and guidance for the partnership. The backbone team is comprised of the Ngage NM team, an Early Childhood Coordinator from La Clinica de Familia, a communications team from Community Action Agency of SNM, and our data partners at the NMSU Center for Community Analysis.

The Success Partnership has two coalitions under its banner: the Doña Ana County Early Childhood Coalition, and the Kinder-Career Coalition. For more information, go to www.successdac.org/

Parent Organization

Ngage New Mexico

Ngage New Mexico (Ngage) is a nonprofit organization that excels in engaging community to make change happen. With a focus on improving education outcomes and nonprofit capacity-building, we embrace the values of collaboration, consensus-building, social justice, racial equity, and data-informed solutions for the betterment of our entire community. Our vision is no less than a diverse, vibrant, and resilient community where all enjoy freedom, opportunity, and the power to direct our own lives. Our mission is to serve as a catalyst to advance the well-being of all people of southern New Mexico.

Ngage serves as a backbone organization for a prenatal-to-career education initiative in Doña Ana County called the Success Partnership. The partnership consists of individual and organizational stakeholders from the nonprofit, government, business, education, and faith-based sectors who are committed to the transformation of education in our county. As a support organization, Ngage provides facilitation, coordination of partnership activities, guidance and logistical support for making community wide change possible. Ngage in conjunction with the Success Partnership is currently working in four main areas: (1) early childhood education; (2) K-12 Success; (3) post-secondary access and success; and (4) career opportunities for graduates. For more information about the work of the Success Partnership, go to www.successdac.org.
