NM CAFe

NM CAFe is a faith based non-partisan organization that organizes people at the local, state and national level. CAFe's goal is to bridge the gap between communities and policymakers. CAFe recognizes that people are capable of becoming their own advocates when provided with tools such as training and development. Since its inception in 2009, CAFé has been a crucial actor in the political landscape in southern New Mexico creating a “land of opportunity” by challenging our elected leaders to put the needs of families and the common good of New Mexico first.
