

## NM Workforce Connection Centers

The New Mexico Workforce Connection Centers are one-stop centers located in 21 communities statewide. Staff in each center assist businesses with posting their job openings on [www.jobs.state.nm.us](http://www.jobs.state.nm.us), special recruitment, analyzing hard to fill jobs, layoffs, job fairs, and skills assessments for hiring. For job seekers, staff assist with job search, job referrals and placement, and customized skill development like interviewing skills and resume writing.
