

SHARE new mexico™

Public Defender

As the state's largest law firm, we represent low-income people facing criminal charges in New Mexico. With dedicated teams of attorneys, social workers, investigators, paralegals, and office support, we guard individuals from injustice and work to address the underlying issues that bring clients into the criminal court system. In addition to representing individuals in criminal cases, we also advocate in our state legislature to protect the constitutional rights of all New Mexicans..
