Early education home visitation program

North West New Mexico First Born offers all San Juan and McKinley County first time mothers, fathers and families no cost home visitation services including education and support to encourage normal growth and development of happy, healthy babies in positive, nurturing families. NWNMFBP builds family and community relationships by supporting the idea that a healthy pregnancy and childhood are not only critical to the immediate well-being of the child but are also basic to building a resilient family and a healthy community.
