Parent Organization

Northwest New Mexico Arts Council

The Northwest New Mexico Arts Council is a supporter and advocate for the visual, literary and performing arts in Northwest New Mexico. It will seek to develop and provide education that will enhance the appreciation of all visual, literary and performing arts within the region. The N.W.N.M.A.C. recognizes the diversity of all cultures that contribute to the arts, and will support all traditions and art forms equally and enthusiastically. Recognizes arts and education integration and the diversity of all cultures, including special needs and arts in afterschool. Supports makerspaces to enhance STEAM projects.
