NB3FIT

NB3FIT is a youth development and leadership program currently serving Native American and tribal communities in New Mexico. A core purpose of the NB3FIT program is to get Native youth healthy and active through sports. In partnership with the Coach Across America Program, NB3FIT hires young adults to mentor and coach Native youth. Utilizing NB3FIT Curriculum, coaches are trained to teach about healthy nutrition, fitness and leadership so youth can make positive healthy lifestyle choices. In addition, learn about and incorporate cultural values where appropriate, including respect, self-persistence, teamwork and self-discipline.
