"The X" program

The goal of the Notah Begay III (NB3) Foundation's Experiential Learning "The X" Program is to reestablish relationships between Native American youth, the outdoors, their land and their Indigenous cultures. Through this dynamic program, presented as part of the NB3FIT program, Native youth have the opportunity to experience hands-on, outdoor learning through nature exploration, camping, leadership-building and community engagement with a variety of Native community partners.
