Learning Loft

OCADD Learning Loft is a bi-weekly self-Advocacy support group that meets virtually, due to Covid-10. In the “Learning Loft” self-advocates, parents/caregivers and members of the community come together to socialize, communicate, and just have fun. We talk, we play virtual games and every other meeting we invite a guest speaker/s that will educate the group and their guests about various topics regarding disability, self-advocacy, etc.

Join the [OCADD Facebook Group](#).
