Otero County Community Health Council

Community health councils plan and coordinate community-level responses to pressing health issues.

The Otero County Community Health Council (OCCHC) and Behavioral Health LC12 meet together on the first Tuesday of every month. ***All are welcome.***

Meetings usually include a health-relevant presentation, short business meeting, and round table sharing. The emphasis is on well-being, awareness, community health, mental health, and collaboration. Contact OCCHC.coordinator@gmail.com for the next meeting date and the link.
