## Otero County Indigent/Unclaimed Disposition Program

Otero County Indigent Cremation/Burials program. It is our mission to provide a deserved, lawful, proper and dignified manner of disposition for those decedent residents who are indigent or go unclaimed upon death.

Otero County provides for direct cremation only, except on a case-by-case basis. The county shall ensure that the body is buried or cremated no later than thirty days after a determination has been made that the body has not been claimed, but no less than two weeks after death.
