Our Lady of Mt. Carmel State Certified Residential Treatment Facility

Our Lady of Mt. Carmel is a licensed and certified treatment facility for children and adolescent girls. Girls are not taken beyond Level Three, and are usually Level Two. The program is a four step behavior health program with a qualified professional and para professional staff. The ratio is one to five. The program has been sub-contractors with the Navajo Tribe for the past twenty plus years. The program is qualified to treat emotionally disturbed youngsters who have been abused physically, sexually, and as a result have behavioral problems.
