Fix the 505

Fix the 505 is a public Spay/Neuter Program designed to help needy individuals fix their owned animals. PACA covers the cost of the surgery along with basic vaccines. Other health-related needs may be found by the Vet during the appointment. Owners will have the option to pay for these additional services. Microchips are encouraged but not paid for by this program. This program services both dogs and cats. Applying is easy; just email pacadogs@aol.com to begin the process. A volunteer will respond within 24 hours of your email with the questionnaire to begin the process. Most vouchers are issued within 10 business days.

Geographic Area Served: Bernalillo County Sandoval County Valencia County

Parent Organization

PACA/AAR

We at PACA/AAR have always known that spay/neuter a key component to ending the overpopulation problem that has long plagued Albuquerque and all of New Mexico.

In 2014, PACA/AAR proudly launched our continuing small-scale program to provide reduced-cost **spay/neuter for low-income dog and cat owners**. This was a long-time dream of volunteer Margaret Bobb. Sadly Margaret died in 2018, but the Fix the 505 program lives on in her name and is now the Margaret Bobb Memorial Spay/Neuter Program Fix the 505.

PACA also Partners with Western Trails Veterinary Hospital in Edgewood to spay and neuter the animals

adopted from Moriarty Animal Control and East Mountain Companion Animal Project.
