Parents College Before School

This program is geared towards those parents who want to learn Math or English with their kids. We will meet 40 minutes before the regular school schedule starts and learn Math or Language for half an hour, before the kids go to their classroom and parents leave for their regular duties.

Parent Organization

Parents College

Parents' College wants to reclaim family time while fulfilling the demands that our modern world imposes on our families. With the use of technology and participation of families we can achieve more integrated families, greater academic achievement, communities that appreciate tradition and moral values; but overall, a happier and more fun society.
