Ongoing classes in Dementia Care Educational Support for Families and Professional Carers

I am a certified Positive Approach® to Dementia Care Trainer, Advanced Consultant and Educator with both personal experience and professional training in Dementia Care.

EDUCATIONAL SUPPORT CLASSES IN DEMENTIA CARE for FAMILIES and CAREGIVERS starting Saturday May 25 and continuing on Saturdays through June 23 at 12 noon to 1:30 . These classes for families and professionals in dementia care are designed by Dementia Care Expert Teepa Snow. All five classes (7-1/2 hours) cost \$100/tax and include practical strategies for dealing with brain change. Classes include role-playing, interactive discussions of personal issues, and instructive videos about dementia and how to maintain connection with someone who is living with it so you can maintain a high quality of life for both of yourself and your person throughout the journey.

I recommend this class for anyone who knows and/or is living with someone at any stage of the disease.

I also offer private counseling for families and occasionally public training sessions. This particular class I will repeat on and off throughout the year. Call Laura at 719-221-5804 for more information about my qualifications or the class I offer. You can also find me on Facebook or on the internet at PartneringInCare.com
