

PB&J Home Visiting/ In-Home Services

Home Visitation provides in-home parenting, support and case management services to high-risk families isolated geographically or socially. Services include parenting, family support, counseling and case management. The program serves families with children birth to 18 years with special emphasis on children 0 to 3 years of age at risk for abuse, neglect or developmental delays. PB&J also provides home based services to first time parents of a 0-3 child or pregnant for the first time, focused on parenting skills and bonding and attachment.

Parent Organization

PB&J Family Services, Inc.

Since 1972, PB&J Family Services has been helping at-risk children grow and develop to their full potential in nurturing families and within supportive communities. Our outcomes include the prevention of child abuse and neglect; preservation of the family whenever possible; optimal child development; and children's readiness for school and success in life.
