Peopleworks-NM

Our 3 programs: **Counseling, Online Support Groups and Classes, and Gambling Addiction Program** are designed to help you get back on track with the life you were meant to live. Though there are often no quick fixes, our specially trained therapists can assist you. We help with depression, anxiety, problems with gambling, post traumatic stress disorder, problems with substances, bipolar disorder, to name a few. We see ages 16 to 100, and specialize in older adults.

We will offer Caregiver Support Groups and classes intermittently - via Zoom. Check out our website or Facebook page for current offerings.

We also specialize in gambling problems. During the pandemic we are unable to provide prevention/education efforts, but are available for individual or family counseling.

Offering telehealth services at your fingertips. Our virtual doors are open!
