Placitas Artists Series

Concert season from September to May includes 9 monthly chamber music performances. Five of the performances are with Willy Sucre and his friends. Mr. Sucre is a violinist, formerly with the New Mexico Symphony Orchestra. Other programs feature a variety of music types performed by nationally known artists. PAS also supports music programs in county schools and a juried visual arts program that features regional artists. The works of art are displayed in the performance venue (Las Placitas Presbyterian Church) and other locales in the county.
