

SHARE new mexico™

Primary Care

We provide chronic illness care for illnesses like diabetes, high blood pressure and asthma, acute illness care, preventive medicine, family planning, women's health, wellness physicals and screenings. Our providers care for you when you are well and when you are sick, managing chronic illnesses and preventing illness.

In addition to private pay, we accept Medicaid, Medicare, and private insurance. For the uninsured, a sliding fee scale is available based on income.
