## Presbyterian Community Health

Presbyterian Community Health focuses on health priorities that are important to New Mexico, including behavioral health, social determinants of health, access to care, healthy eating and active living. We collaborate with the counties served by Presbyterian Healthcare Services to provide access to resources that support a healthy community. See website: [www.phs.org/community/committed-to-community-health/](http://www.phs.org/community/committed-to-community-health/)
