Project Hope (Hope, Opportunity, Pride, and Empowerment) - YDI

Provides independent life skills training for youth in custody of NM CYFD. Skills include job seeking, job maintenance, housing, money management, educational planning, transportation, food management, housekeeping, community resources, CPR, first aid, relationships, personal appearance, sexuality, substance abuse and parenting. The "City of Independence" is a mock city offered for two days for youth to experience first hand the skills they have obtained through the program in a risk free environment.
